Mnuchin and White House officials have said they are willing to work with Democrats to come up with a bipartisan bill to protect immigrants from deportation. | Rich Pedroncelli/AP Photo Finance Trump says he's looking to end 'chain migration' President Donald Trump on Wednesday said he's looking to end "chain migration," a political buzzword that's widely seen as an attack on the immigration system and legal immigrants. "We're looking for chain migration to end," he told reporters at the White House. "That's where a lot of people come in, they bring in their family and then they come in. I think that's a bad thing for the country and we
