ViSoft VR has the same features as ViSoft 2016, but now with even more functions. Our basic package consists of the ViSoft 360 app (available in most app stores), ViSoft Advanced and ViSoft Premium. The latter includes the feature Hot and Live View.

ViSoft Premium 2016 10.00Get a virtual reality experience in your smartphone. With the help of the Google Cardboard technology you can use your smartphone as a VR-Display. Important: the program requires a smartphone with the latest version of the Android OS - at least Android 4.3. Our ViSoft Premium 2016 is built for Windows 7/8/10 and tablets. With that means, you'll be able to enjoy your smartphone's virtual reality experience right away, without any additional computer hardware. That's possible due to a completely new Open Source product: ViSoft VR. ViSoft VR's native files are recorded in the "OpenGL ES 2.0" file

format. This means that you won't need any additional software or tools. It is therefore also suitable for use with Windows Phone 7, Windows Phone 8 and Windows Phone 8.1.

The built-in Virtual Reality experience is based on ViSoft VR. It is based on the same files as ViSoft Premium 2016. Those are the same files that our ViSoft Smart for Windows 7/8/10 download. Therefore, you shouldn't encounter any problems. ViSoft VR is created in the Product Design Studio with the help of former students from the Product Design Studio at the ETH Zurich. With the help of ViSoft Photo Tuning you can create photo-realistic panoramas or panoramas with scenes with furniture of any size. These panoramas could be used with VR headsets to create a personal preview of your shop, bathroom or a living room. You can also use this great tool to show your customers the real thing for them to experience at their homes. 5ec8ef588b
